

> **Make tenants pay their dues**

Reference to the report "PPR folk owe councils million\$" (*The Star*, Feb 21) on the issue of high rental arrears plaguing the People's Housing Projects (PPR) and Public Housing (PA) schemes. It is truly saddening to know that tenants at two of the public housing schemes in Seremban had amassed rental arrears of RM1.1mil and RM930,000, respectively. They were deliberately defaulting on their dues, apparently due to lack of firm action from the relevant authorities. I hope these authorities will take charge to recover the rental arrears. Kudos to the Seremban City Council (MBS) and Kuala Lumpur City Hall for highlighting this issue. – Kash, Ampang
