

Let MACC investigate claims of bribe collection by DBKL officers — Dr Zaliha

KUALA LUMPUR: Minister in the Prime Minister's Department (Federal Territories) Dr Zaliha Mustafa is leaving it entirely to the Malaysian Anti-Corruption Commission (MACC) to investigate allegations that senior Kuala Lumpur City Hall (DBKL) officials are accepting bribes monthly.

She reminded all local authority (PBT) staff and officers to always maintain good governance and integrity in performing their duties.

“Ultimately, we will know the results of the investigation by the MACC, whether it involves taking bribes or poor governance.

“In our workplace culture, I frequently stress the importance

of integrity because our ultimate goal is to deliver excellent service to the people while preventing any abuse of power or misconduct,” she told reporters after launching the Federal Territories Waste-To-Wealth initiative at Seri Pulau Pinang Public Housing here yesterday.

Also present was Bandar Tun Razak Member of Parliament, Datuk Seri Dr. Wan Azizah Wan Ismail.

Earlier, it was reported that the MACC detained a local authority senior officer in his 40s last Thursday, to help in probing allegations of monthly bribes collected from businesses run by foreigners in the city centre.
