

Something unpleasant to the sole

FROZEN in the classic pose of a man who has stepped on something unpleasant is Datuk Bandar Datuk Elyas Omar — the man who is trying to clean up the city.

The scene was at a particularly littered spot in Jalan Putra yesterday.

The Mayor was beating about the backlanes with his officers to see for himself the preparations for the Commonwealth Heads of Government Meeting later in the year.

Although he was impressed with the beautification programme carried out so far, he said the level of cleanliness in certain areas have to be looked into.

Datuk Elyas said he would visit selected places from time to time to ensure the city is presented in its finest.
